Dear Mr. Willis,

Your recent donation of 25 life-saving Trauma Kits to our newly formed police department have been received and is greatly appreciated. These kits will be an invaluable resource to promote officer safety as well as positively impact the safety of the public that we serve. Please feel free to share our story on your website to show our appreciation for your wonderful gift.

Again, thank you very much for this mandatory and very much appreciated donation, the cost savings to our constituents cannot be overstated. Stay safe and keep up the wonderful work that you and your organization are doing to enhance public's safety and trust.
