Re: Donation of Traffic Safety Vests

Dear USDSA and Program Donors:

Thank you so much for your kindness and generosity in donating new traffic safety vests to our agency. Our agency had been historically using mix-matched vests, some of which were not compliant with national safety standards. Your donation affords us additional safety while also providing a uniform look across the agency.

Our agency would not be able to provide the level of care, safety, and security in our community we do without the amazing support of associations and donors like you.

Again, thank you.

Respectfully yours,
