Dear USDSA,

I received your care package and was overwhelmed. It's so nice to hear from the majority who support law enforcement in these trying times in our country. Too often, the minority who do not support law enforcement have the loudest voices and it's very refreshing to know that you and other supporters are out there. It will take me awhile, but I plan on looking at every single thank you card and reading the names out loud. Also, thank you so much for the tourniquets and combat gauze packets. They will be distributed amongst the deputies and hopefully will never have to be used. Again, thank you so much for the continued support. Organizations like yours and other supports help to refresh our drive to make our communities a better place. God bless.

Sincerely,

Jerry Lytle
Sheriff
