

United States Deputy Sheriff's Association:

I would like to thank the USDSA for your donation of 4 Point Blank bullet proof vests from the USDSA at no cost to our police department. This saved our small department over \$3000 and provides our officers lifesaving equipment. I am very thankful and appreciative that the USDSA realizes the financial hardships small rural agencies face and their willingness to donate equipment necessary for these agencies to safely perform their duties.
Thank you again USDSA!
