To: Mr. Willis,

On behalf of the Pike County Sheriff's Office we would like to offer our sincere thanks and gratitude to the United States Deputy Sheriff's Association. The safety equipment donated to our office by your organization will help us better serve the citizens of Pike County. The portable breath test units will be made available to deputies and assist them with combating underage drinking and drunk driving. The flashlights will be installed in our vehicles and will greatly assist our deputies. The United States Deputy Sheriff's Association has proven to be a valuable asset in serving the citizens of the United States.
