To USDSA

I would like to thank you for the items that you sent to the Pittsburg County Sheriff Office. The trauma belt kits, PBT's and First Aid Kits has been issued to each deputy and is in service. The defensive tactics gear will be used in the training of our Deputies, Jailers, Reserves, and at our future Reserve Academys. The items was all needed for the Deputies to help them better serve the community. I would like to thank you, Mike for all your help and to thank USDSA for all the sponsors.
