The Plainfield Police Department would like to express our appreciation to the United States Deputy Sheriffs Association, for the generous donation of a model 500 PBT and additional straws. We are a small rural department with very limited funds, and donations like this really help our officers. This is the first PBT we have ever owned, and we cannot thank you enough. This is another tool to help our officers in the fight against drunk driving.

Sincerely,

A handwritten signature in black ink that reads "Justin Litchfield".
