Mike Willis and the United States Deputy Sheriff's Association,

We would like to send our up most appreciation and thankfulness for your donation of 1 FLIR Scout TK, 1 Spike Devil Spike Strips, and Drug Test-kit Bundle. These donations to the Pocahontas Police Department allows us to better serve our rural community. With a population of less than 400 we would not be able to purchase these items on our yearly budget.

Organizations like the USDSA help to make it possible for rural departments to receive updated equipment that allows us to perform our job much more effectively and better serve our community. Once again I would like to say "Thank You" for your donation of this new equipment to the Pocahontas Police Department.

Respectfully,

A handwritten signature in black ink that reads "Darren Jesse". The signature is written in a cursive style with a large, sweeping initial "D".
