United States Deputy Sheriff's Association

Dear Ms. Brandt,

I want to express my sincerest appreciation to the staff and donors of the United States Deputy Sheriff's Association for the donation of three (3) ballistic helmets to the Racine Marshal's Office. With a limited budget, purchasing these items would not have been possible.

These helmets will be used to keep our officers safe while executing search warrants, protecting our local school, and any other dangerous encounter they may face while on duty.

Again, on behalf of the Racine Marshal's Office, I want to thank you for your generosity and making items like this available to agencies who otherwise would have to go without to the tools needed to keep them safe.

Thank you,

Leif Babb
Racine Marshal
