I wanted to write this letter to send our sincere thanks for the donation your organization has provided our office. The ballistic shield will be available to our road officers to carry during their duties. Additionally, the shield will be available to our officers working within our elementary school. The shield being available to our officers offers them an additional layer of safety when responding to calls involving a weapon and active shooter response within our school. Thank you for your support and equipment to help us better serve our community.

Sincerely,  
Capt. S. L. Morris
