

I wanted to take the time to personally thank the United States Deputy Sheriff's Association for the donation of ballistic helmets to our department. In December of 2019, Our department responded to an active shooter call. Several members from our department took fire and thankfully we all survived with only a few minor injuries. I reached out to the association after the incident and they were kind enough to get our department fully equipped with ballistic helmets. After surviving what we did, we all know right where those helmets are in our vehicle and we pray we don't have to use them. The policing world has been challenging over the past year as we have started to hear more negative about our profession than positive. Knowing that people like you still exist in this world is what helps keep us going. Thanks again for everything that you did for our department from me and the rest of the Randolph County, Indiana Sheriff's Department!

Tom Pullins
Captain
Randolph County Sheriff's Dept
Winchester, IN
