

RECTOR

Police Department

Mike Willis and the United States Deputy Sheriff Association,

The Rector Police Department thanks you for the two Spike Devil Spike Strip kits we requested and received. The appreciation we have for all the measures your department takes to supply others with tools of the trade, words can never convey. Thank you for taking the time and care to provide tools that allow us to safely Protect and Serve our community. We are so happy to, again, ask and receive from the USDSA.

Thank you,

Assistant Chief Shain Casebier

Rector Police Department
