United States Deputy Sheriff's Association,

The Ridgeville Police Department would like to thank the United States Deputy Sheriff's Association for the generous donation of two ballistic helmets. In 2019 there were three officer involved shootings in Randolph County. Ridgeville Police Department has assisted units during some of these events. After the unfortunate but yet now too familiar officer involved shootings our officers saw a need for ballistic helmets. These helmets will be stored in our two police department vehicles and will be available to our officers for their use during any kind of shooting related incident. Again, Ridgeville Police Department would like to extend our thanks for this donation!

Professionally,
