Dear US Deputy Sheriff's Association,

I would like to extend a HUGE THANK YOU to the United States Deputy Sheriff's Association. The association provided the Roberts County Sheriff's in South Dakota with multiple tools to allow us to keep our communities safer. The Association provided us with a Halogen bar, 2 sets of Spike Devil Spike strips, flashlights, and several drug detection kits.

I can't say enough about the US Deputy Sheriff's Association. They were great to work with, incredibly helpful, and they understand the needs that rural Sheriff's Departments face.

Thank you again US Deputy Sheriff's Association
