United States Deputy Sheriff's Association

Mike,

Thank you for the trauma kits which we received and handed out for distribution to our Sergeant in charge of property and supply. I have attached a group photo of the current staff who greatly appreciate the gift of the United States Deputy Sheriff's Association. Small budget departments like ours sometimes struggle to find funding to buy life saving equipment like the gifts we received from your agency.

Any questions I can be reached at 406-653-6214.
