

We here at the Rosendale Police Department in Fond du Lac County Wisconsin, would like to give a big thank you to the U.S. Deputy Sheriff's Association for the donation of 6 Trauma Packs for all our Officers.

We will let others know of this great organization and all the work you do for the smaller departments who budgets do not allow the ready replacement of much needed equipment.

I, on behalf of the Officers and Staff of the Rosendale Police Department, and the Rosendale Community, Thank you!
