On behalf of the community and Police Department of Royalton Borough, I would like to personally thank you for your generous donation of the CMI Intoxilyzer 800. This state-of-the-art PBT will replace our current outdated PBT and allow us combat DUI enforcement more effectively.

Your continuous support of local, county, and state agencies with much needed equipment is a testament of the brotherhood that is law enforcement. Thank you!

Respectfully,

  
Justin C Hain  
Ptlm. / Training Officer
