Dr. Kenneth Rodgers
State Director of Mental Health

Dear US Deputy Sheriffs Association,

On behalf of the South Carolina Department of Mental Health Public Safety and the SCDMH Special Response Team (SRT), we would like to thank you for your generous donation of the 15 tactical medical response kits. These kits were disseminated to the operators of the SCDMH SRT, and will be used to ensure the safety of our officers, staff, and patients in crisis. As a newly developed team, equipment is difficult to come by due to budgetary restraints and necessity for other essential equipment. Your donation truly helped the development of our SRT, and has the potential to save lives. Please feel free to contact me at any time for any reason, and I will be more than happy to help in any way possible. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "J. von Moltke".
