Dear Mr. Willis and Association Members:

On behalf of the San Bernardino County Sheriff's Department, thank you for your generous donation of \$500.00 to our Sheriff's Employee Assistance Team (SEAT) fund. Your donation will be used specifically in assisting Detective Jeremiah MacKay's family.

SEAT provides support to our department's employees, volunteers, retirees, and their families in times of major illnesses or crises. Those who have had the need for assistance have been extremely thankful and appreciative for support that we are able to provide because of donations such as yours.

Thank you again - your support and concern for Jeremiah's wife Lynette and their children means the world to us!

Sincerely,

John McMahon, Sheriff-Coroner
