To United States Deputy Sheriff's Association:

I wanted to write this letter to send our sincere thanks for the generous gift your organization has provided our office. The tactical trauma kits will be issued to every deputy to carry during their duties. Additionally, several will be placed inside the public schools to be available to our school resource deputy. We hope these kits never have to be used but know if needed they will provide life saving tools in the event of an emergency. Thank you for your support and equipment to help us better serve our community.

Sincerely,

Justin Schlabach
