

Scott City Police Department

Chief of Police - David Post

Dear Mike,

I want to personally thank you and the U.S. Deputy Sheriff's Association for your donation of a FLIR unit to our Police Dept. This unit will greatly assist our officers in low-light operations that will enhance officer safety.

You and your association do great work for people and we will always be grateful for your speedy assistance with our need. I believe small agencies can greatly benefit from your Association and the good work that they do. Once again, from the Scott City Police Dept. and myself, Thanks!

David Post
Chief of Police
