I would like to personally thank the United States Deputy Sheriff's Association for the generous donation of 8 patrol trauma response kits that they recently provided to the Shelby County Sheriff's Office. The underfunded budgets that smaller agencies typically have to face, sometimes prevent them from having access to much needed lifesaving equipment such as these. We are very thankful that USDSA exists and are able to provide them. We hope to never face a situation where the kits need to be utilized, but we now have a peace of mind knowing that they are on our side if we do.
