Dear United States Deputy Sheriff's Association.

The Sherman County Sheriff's Office would like to thank you for donating the ballistic Shield to our law enforcement agency. This Shield will be used as an entry tool for search warrants and tasks for the Central Nebraska Special Response team. Additionally, this Donation will keep our Deputies safe during Dangerous deployments. The Deputies at the Sherman County Sheriff's Office feel that this donation is a much-needed tool during these trying years in law enforcement. Thank you for your Donation.
