Paul G. Ferm, Chief of Police  
South Pymatuning Police Dept.  
3483 Tamarack Dr.  
Sharpsville, PA 16150

Mike Willis, National Training Director/ Law Enforcement Program Coordinator  
United States Deputy Sheriff's Association

Dear Mike Willis:

On behalf of myself, the Township Supervisors, our Police Officers and the people of South Pymatuning, PA.

I would like to thank you and your organization for the assistance in getting out Department the necessary emergency medical equipment for our vehicles and officers. The trauma kits will be placed in each of our police vehicles and allow each officer to have the ability to "stop the bleed" in the unfortunate event of a traumatic injury to themselves, a fellow officer, or any of the public we serve. Time is essence in these situations as waiting on rescue to be able to safely treat the injured is not always assured. Also, the assistance given in acquiring the narcotic field- testing kits are also appreciated. In our area, sadly we are experiencing the scourges that narcotic addiction brings. We are committed to do our part and end this epidemic. The addition of these kits will make our job easier and being able to bring violators prosecution to a successful ending. Thank you again and to the whole United States Deputies Organization for the assistance you give. It is much appreciated.

Sincerely,

Paul G. Ferm,  
Chief of Police
