To whom it may concern,

The City of Spencer, West Virginia Police Department would like to extend our most sincere appreciation for the recent equipment donation of four (4) sets of spike strips received from the US Deputy Sheriff's Association. Due to having two (2) US Routes (33/119) traveling through our municipality, there is usually a lot of vehicular and pedestrian traffic traveling throughout our city. We anticipate that these recently donated spike strips will assist us in keeping our citizens and other traveling public safe from high speed pursuits through our congested municipality.

Respectfully submitted,
