Re: Ballistic Shield

United States Deputy Sheriff's Association (USDSA),

On behalf of the Spring Hill, Kansas Police Department, we would like to formally thank you for your donation of a ballistic shield to our police department. This lifesaving tool will assist our officers in providing the quality service to which our citizens are accustomed, while also giving them an additional level of protection when it is needed most! During the last year, we noted the need for such equipment arose on several occasions. Being part of a large metro area, our officers are often tasked with addressing above average threats, and with this shield, they can do so knowing they are more well protected. During the next week, our officers will receive ballistic shield operator's training and will begin deploying this new asset. Thank you again from all of us at the Spring Hill, Kansas Police Department!

A blue ink handwritten signature, appearing to read "Adam Khan", written over a horizontal line.

Captain Adam Khan, #803
Spring Hill Police Department
