

United States Deputy Sheriff's Association,

We are pleased to inform you we have received the (5) Spike Devil Spike Strips graciously donated by your organization. We are very thankful for this equipment and all that you do. It was something that was very needed to continue to provide officer safety and the safety for the citizens in our county. Attached in this email is a photograph of myself, and Lieutenant Ryan, with the spike strips. Again thank you for all that your organization does.
