Dear Mike Willis,

The City of St. Mary Police Department want to thank the United States Deputy Sheriff's Association for the generous Donation of the amount of \$5,000 Dollars for the procurement to replace the patrol vehicle that became non-roadworthy and was an officer safety issue.

From your generous donation, the City of St. Mary has acquired a newer model lower mileage patrol car and came up fitted with the emergency equipment and their remaining funds were able to update to the radio equipment and MDT terminal mounting and equipment to match the other patrol vehicle. Without the generous donation from the United States Deputy Sheriff's Association the St. Mary Police Department would not be able to handle the call volume and provide the necessary patrol it once did and able to provide the necessary patrol of the city on a normal basis and provide the City of St. Mary with the necessary needs to provide the citizens with the protection they deserve and also officer safety.

Again thank you and on behalf of the St. Mary Police Department we thank you for helping us in the dire time of need and being able to continue to serve and protect the community.

Respectfully,

Chief Adam Bequette DSN-8201

St. Mary Police Department
