The St. Marys Police Department would like to thank the United States Deputy Sheriff's Association for your generous donation of twenty-five Patrol Trauma Response Kits. Our agency is always seeking ways to provide the necessary equipment to meet the ever-changing needs of our officers.

Due to your donation, these kits will enhance the ability of our officers to render emergency aid not only to potentially save their own life, but that of a fellow officer or citizen under their watch. In a time where budgets are tight, we continuously search for ways to remain fiscally responsible. With your generosity, you have helped us maintain that path and contributed to helping ensure the safety and security of our community.

The support received from organizations such as yours is invaluable and greatly appreciated.

Sincerely,

A handwritten signature in black ink that reads "Chris Winkle".
