

US Deputy Sheriff's Assn,

This email is long overdue, but please do not let my oversight diminish its sincerity. Thank you for the generous donation of Quik-clot Combat Gauze and tactical handcuff keys for our officers that were delivered late last year. More so, thank you for the dozens of "thank you" post cards that were included in the box. I make it a point to distribute those post cards to each officer's mailbox periodically to remind us all that we are supported and appreciated. Once again, thank you for your organization's kindness and generosity.

Respectfully,

Captain Michael deMoncada
