The Thornton Police department would like to thank you for the donation of (5) Point Blank active shooter kits. Thanks to this generous donation, we were able to replace our outdated kits and keep our officers safe. Your program is vital as it affords agencies such as ours who have limited budgets, to acquire much needed safety equipment. Without this grant, my agency would not have been able to afford new kits. I applaud you for all you do at the United States Deputy Sheriff's Association and if you ever need anything from us, please let me know.

Regards
