Mike Willis
United States Deputy Sheriff's Association
National Training & Programs Director

Dear Mr. Willis,

We have received the generous donation of a ballistic and really appreciate your support. This shield will be shared with the other constable departments when performing dynamic entry on eviction cases. As you are aware evictions are becoming increasingly dangerous and several officers have lost their lives in the United States this year on eviction operations.

Again, many thanks for this gift to improve our safety.

Sincerely,

Randy Harris
Constable Pct 4
Tom Green County Texas
