

The Police and Security Staff at UPMC Northwest would like to say thank you to the United States Deputy Sheriff Association for their more than generous donation. Because of their generosity our Sworn Officers are now better equipped to combat underage drinking, Dui and Public Intoxication. We also will be able to have a leg up in searching for lost, missing and eloped Behavioral health and dementia patients. Without your donation our officers would have been at a disadvantage. Hopefully someday we can pass it on.

Please see the attached pics for your site.

Sincerely

Dave Wilson and all UPMC Police Officers
