**Dear United States Deputy Sheriff's Association,**

The Police Services Division of Alabama Department of Mental Health would like to express our sincerest gratitude for your willingness to aid our department by providing donated equipment. The Alabama Department of Mental Health, because of limited funding, has not been able to provide such equipment to all our officers. Your contribution of ballistic vests, emergency trauma kits, tactical flashlights, and traffic safety vests will be provided to our officers who are in need and has greatly assisted our agency in a time of budgetary constraints. Thank you for your assistance in increasing the overall safety and security of our department and several of officers will now be able to safely serve and protect.

Once again, thank you for contribution.

With our appreciation,

**ANDERSON ROBERT E.**
