I want to thank you for the very generous and useful donation of the ballistic shield and halligan entry tool. These implements will be utilized not only by our members on the Canadian County Multi-Jurisdictional Special Operations Team, but will also be available to our suburban/semi-rural patrol district officers involved in frequent drug and violent crime response. In short, these tools will make a difference to these officers.

Again, I want to thank you for your dedication and service in the true spirit of law enforcement.
