Re: Donation regarding Ofc. Don Sahota

Greetings:

We want to express our sincere appreciation for your generous donation in honor of Officer Don Sahota. The outpouring of support from citizens in the community and from around the nation has been very heart-warming in the wake of such a tragic event.

We have enclosed a charitable donation form that you may keep for your tax records. If any of the information is incorrect, you may make the changes and return the form to us. Please keep a corrected copy for your records.

Again, from all of us at the Vancouver Police Department, and especially on behalf of the Sahota Family, thank you for your care, concern, and generosity during this difficult time.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. P. McElvain".
