Dear United States Deputy Sheriff's Association:

The Verona Police Department are grateful for the generous donation of three portable breathalyzer testers and replacement straw package. Your donation has been a great asset to the department. The officers are putting them to great use. The Verona Police Department wants to thank you for thinking about the safety of its community and helping keep our roads clear of intoxicated drivers. We are very fortunate to have these tools working with this department and within this community.

If you have any questions feel free to give me a call at the number listed above

Thank You,

Chief Marsenio J Nunn
