TO: United States Deputy Sheriff's Association

On behalf of the Wabaunsee County Sheriff's Office, we greatly appreciate the Preliminary Breath Test (PBT) that you have donated to the Wabaunsee County Sheriff's Office. It has already seen use and will continue to see use combating Drunk Drivers. Some of the PBTs we currently have in use are becoming antiquated and we simply don't have enough of them. Again Thank You for the donation and the continued help with critical supplies to Law Enforcement Agencies across the country.

Sincerely.
