Dear Mike,

On behalf of the Walls Police Department, its officers I wish to extend our gratitude for the donations of the four sets of ballistic body armor. Once I reached out to you, I had a quick response back confirming our equipment needs and within in couple of weeks we had the equipment in hand.

We received the four new Point Blank ballistic vest and have issued them to officers who had been wearing outdated vest and used vest from other departments. The generosity of the United States Deputy Sheriff's Association helps small departments like mine acquire much needed equipment and it is sincerely appreciated. Thank you again for everything you do.
