I wanted to thank you for the donation of Spike Devil Spike Strips from the United States Deputy Sheriff's Association. As you are aware the Wartburg Police Department is a small department that serves the citizens in Morgan County which is labeled as a distressed county in East Tennessee. Without this donation we would not have been able to acquire such update and needed equipment on our limited operating equipment budget. This equipment will be used to provide a safer outcome for our officers and the general public in dangerous situations where drivers fail to stop for law enforcement.
