Dear United States Deputy Sheriff's Association,

The men and women of the Wayne County Sheriff's office would like to extend our sincere gratitude for the equipment donations. Our office is very fortunate to be able to receive such a valuable donation from a great organization. Our office requested a donation of 15 BTK emergency belt trauma kits from the Association. What we received were 15 great assets for all of our deputies. The trauma kits contain numerous items that will be used in an emergency and to help keep our deputies and the community safe.

The Association and Mike were in contact regularly to make sure we received the donations and that they were what we requested. The Wayne County Sheriff's Office again would like to thank everyone from the United States Deputy Sheriff's Association for all of the help and support and the wonderful equipment donation.

Sincerely,

Christopher M Rosler Chief Deputy
