Re: Donation received

USDSA,

On behalf of the Weare Police Department I sincerely thank you and your team for the donation of four halligan bars and one FLIR Scout TK Thermal Monocular. The benefit this equipment brings to our officers, and by extension, the rural community we serve is monumental. We found the process to apply for the tools to be seamless and our communications with the USDSA were timely and professional.

I assure you, your gracious donation and clear drive to support law enforcement will not be forgotten.

With gratitude,

Captain Frank A. Hebert
