Ref: Flashlights

I would like to take the time to thank you for the donation of the much needed flashlights and today I received 4 SpikeDevil road spike kits. Being a small department and with funding short it is hard to supply needed equipment to the ones needing it the most. Our officers strive to do the best they can regardless of the situation. This donation is so much more than flashlights and road spikes it's a life saver! Again thank you from all of us at the department for the equipment.
