This is a post from another local small agency that we were called to assist on. On behalf of all involved I would like to thank the USDSA for their donations. The recently donated scout flir was used in apprehending these violent felons. The donation not only impacts our town and department but all surrounding agencies that request our aide. Thank you for helping us continue to combat crime in this ever evolving world.

Sincerely

Assistant Police Chief Ryan Sadler 702  
Town Of Wellston Police Department
