Re: United States Deputy Sheriff's Association Donation

Mike Willis,

On behalf of the Wellsville, Kansas Police Department, I, Chief John Blair would like to thank you, for the wonderful donation of the three Intoxilyzer PBT's, and the Nark II drug test kits. This equipment will come in great use for many years to come.

Thank you again to the United States Deputy Sheriff's Association for everything you do for Law Enforcement

Sincerely,

Chief of Police
