

USDSA,

All of us at the West Police Department would like to thank everyone at USDSA for the generous donation of eight Nightstick Flashlights and four Devil Spike Strips. Being a very small department, our budget is even smaller. This donation helps outfit my officers with safety equipment and helps alleviate any stress on our budget. Our entire department and our Mayor are extremely grateful for including us in your donation program. We believe what your organization does and stands for is extremely important. It's organizations like yours that help agencies like mine overcome small and tight budgets, while making sure officers are up to date on safety equipment.

Thank you

A handwritten signature in black ink, appearing to read "Alex Eliopoulos". The signature is fluid and cursive, with a long horizontal stroke at the end.

Chief Alexis Eliopoulos
