

Dear United States Deputy Sheriff's Association,

On behalf of the Whitwell Police Department, Tennessee, we would like to thank you for your kindness and generosity in providing our department with PBT's, First Aid Kits, and Drug Test Kits. The PBT's will be put to use every single day here in our small town of Whitwell, and the Drug Test Kits are a great addition as our Officers are finding more and more drugs every single day. These Test Kits will help our officers be able to identify and get more and more drugs off of our streets. Our department is very low funded and do not have all the equipment we need to operate to our fullest. With the help from the United States Deputy Sheriff's Association we are one step closer to fulfilling our goal of being fully equipped and able to serve our community the very best we can. Our officers are dedicated to our community, and greatly appreciate you taking the time to help make our department better. We look forward to using the provided equipment your association has sent. We cannot thank you enough for helping our officers become better equipped to do their jobs.

Sincerely,
LT Dalton Pendergrass
