Re: USDSA Cash Grant

I want to offer sincere appreciation for the \$5,000 cash grant provided to the department. We have put the funds to good use. The department recently completed its purchase of Body Worn Cameras. We plan to have them deployed in the field by the end of January 2021. The grant partly funded this important technology to assist the department and increase transparency for the community we serve.

Included with this letter are photographs of the cameras in their docking stations and one of a BWC as they will be deployed on an officer. Thank you again.

Should you have any questions, please do not hesitate to contact me.
