To: Mike Willis
United States Deputy Association

It is with great gratitude that I am writing this letter to you and the USDA.

As in the past your association has come to the rescue of our small agency, as well as other agencies throughout the USA.

Your agency recently purchased four (4) ballistic vests which we were in dire need of.

With the economy being the way it is today and the budget restraints being placed on agencies, I am afraid that without your association being able to help with the needs of Law Enforcement Officers in small agencies, they would most likely go without or end up using old, unsafe equipment.

It is in hopes that your agency will be able to continue with helping other agencies in their time of need.

Once again, Thank You, for the much needed equipment.
