Dear Members of the US Deputy Sheriff's Association,

On behalf of the officers of the Wilson's Mills Police Department, I would like to share our heartfelt thanks for the night-vision equipment and flashlights. As you well know, night is the most dangerous time for officers, and the ability to see well in the dark is critical for officer safety.

We cannot thank you enough for all of your hard work in obtaining key equipment for officers across the nation. We will certainly benefit from all that you have generously shared with us.

Thank you,

*Lt William Hilliard*
